WORK EXPERIENCE

The Chesapeake Retirement Community 2025 - PRESENT
LPN Charge Nurse

- Demonstrated strong leadership abilities in managing challenging situations with patients, families, and healthcare professionals alike.
- Delivered direct quality care to patients by evaluating medical conditions and managing and assessing treatments.
- Conducted comprehensive patient assessments, identifying changes in condition and implementing appropriate interventions promptly.

Maxim Healthcare Systems 2024--PRESENT
Licensed Practical Nurse, Home Care

- Ensured patient safety by consistently monitoring vital signs and administering medications as prescribed.
- Promoted patient independence by teaching self-care techniques and offering guidance on managing chronic conditions.
- Administered injections, catheter care, and other skilled nursing procedures with precision and attention to patient comfort.

Home Health Services of Virginia 2024 - 2025
Home Health Nurse

- Developed strong rapport with patients and families, fostering trust and open communication during challenging times.
- Documented patient vitals, behaviors, and conditions to communicate concerns to the supervising nurse.
- Educated patients and families on disease management, medication safety, and at-home healthcare strategies to promote self-care.

**Bon Secours Memorial Regional Medical
Center**

2022-2024

Licensed Practical Nurse

- Utilized time management skills to prioritize tasks effectively, allowing for efficient completion of daily responsibilities.
- Participated in ongoing professional development opportunities to enhance the knowledge base and skill set as an LPN.
- Cared for wounds, provided treatments, and assisted with procedures.
